Imagine sitting on your front porch enjoying your morning coffee taking in one of the most iconic views in Key West. This is an amazing opportunity to own this grand Southern lady in the heart of Old Town, ready for your restoration, to create your own estate in the historic district. The home offers over 2020 sq ft of living area with many original attributes, 12' ceilings and a huge 3rd story attic space which may be great for the addition of a loft. A large detached garage appears suitable to be reconfigured for 2 cars. There is abundant off street parking rare to the area of Old Town. Located high and dry in the preferred X Flood Zone, the 6400 sq.ft. lot excites the mind on where to place your swimming pool and create your personal oasis. All measurements are approximate.
